Letter of Support

Dear Comrade Al Sharif,

It is with great concern and sorrow that we have learned about the devastating natural disaster that has struck northeastern Libya. The catastrophic collapse of dams, coupled with the heavy rains and flooding, has led to immense human suffering and loss of life. The toll on people and communities affected by this tragedy is both heart-wrenching and overwhelming.

The International Trade Union Confederation (ITUC) stands in solidarity with the General Federation of Trade Unions in Libya, Libya's workers, and its people during this time of crisis. Our thoughts and prayers go out to all those affected by this disaster. We extend our deepest condolences to the families who have lost loved ones, and our thoughts are with those who are still missing. We join you in hoping for their safe return.

In these trying times, we believe in the resilience, strength and unity of the Libyan people. Together, we can overcome these challenges and work towards a more stable and prosperous future for Libya.

In solidarity,

Luc Triangle
Acting General Secretary
