EU development policy

working area	outcome	result
EC strategic communications	Social Protection in EU Development Cooperation	DWA and social partners fully recognized
	Civil Society Actors in Development	social partners specifically mentioned, social dialogue included in policy dialogue at sectorial level
MFF and DCI	regulation on DCI	social partners and social dialogue explicitly mentioned - for the first time in the regulation
Structured Dialogue - Policy Forum	Policy Forum successfully established	trade union participation granted
Social dialogue in development	seminar on social dialogue in development (May)	principle of special action for SD in development created, ITUC and ETUC in the implementation group

Busan and post-Busan

working area	outcome	result
HLF4 in Busan	<i>Busan Partnership for Effective Development Cooperation</i> declaration	analyzed in the position paper (incl. the mention of DWA and the multi-stakeholder principle)
GPEDC	a new platform for development effectiveness established	poor results in terms of space for civil society and pending recognition of TUs
Building Blocks	little activity due to lack of organization	
OECD DAC	ITUC/TUAC invited to DAC meetings	recognition and more advocacy access for trade unions
CPDE	a new CSO platform almost created	labor sector representation secured by the ITUC/TUDCN

UNCTAD - UN Conference on Trade and Development

working area	outcome	result
UNCTAD XIII conference	final document	Decent Work mentioned, mandate of UNCTAD saved

UNDCF - UN Development Cooperation Forum

working area	outcome	result
UNDCF biannual plenary	trade union key respondents at UNDCF 2012	increased visibility of trade union perspective on development
Advisory Committee and informal consultation group	ITUC invited to take part in AC meeting	improved advocacy access for trade unions
UNDCF strategy 2012-2014	to be announced soon	to be analyzed
International Development Cooperation Report	to be published soon	to be analyzed

UN Post-2015 Development Agenda

working area	outcome	result
internal	ITUC GC Resolution on post-2015; ITUC briefing paper on post2015; Guide for the affiliates	legitimacy and political direction for the TUDCN and affiliates
UN process	input to thematic consultations on inequality, at the HLP CSO meeting	trade union perspective present in the official consultation process
cooperation with ILO	in regular communication with the ILO	improved access to information
cooperation with CSOs	strong position with GCAP, IBON, Beyond 2015 and others	decent work and social protection well represented in CSO statements and events

South-South and Triangular Cooperation

working area	outcome	result
TUDCN seminar	first seminar to clarify our position	SSC and TC should be guided by the same principles as traditional cooperation (in relation to donors and organisations)
database	in cooperation with BetterAid, first mapping of SSC and TC projects	TU SSC and TC projects included in the TU-DPD

Development education

working area	outcome	result
within the network	mapping of TU DEAR, TU Seminar on Development Education, upcoming TU statement on DE	increased exchange among trade union on Development Education,
outreach	articles in CSO DE newsletters, participation in DE events	increased recognition of TUs as development education actors

TU development effectiveness

working area	outcome	result
Monitoring and evaluation	a seminar took place, guidelines are being drafted	increased affiliates' interest in M&E, Organizational Assessment Frameworks collected by HIVA
TUDEP	the tool is ready and all documentation is available online	TUDEP increasingly used by SSOs and bilateral partners

TU development cooperation support systems

- a study has been produced and published as TUDCN Development Paper
- a seminar with donors was organised
- first steps have been made in creating a group of interested donor governments

TU-DPD - Trade Union Development Projects Directory

- launched on 31st of October
- submissions accepted on an on-going basis

Newsletter & website

- on-going
- generated a significant interest among trade union actors and beyond
- contributed to sharing information and experiences among the members

Thank you!
