

SDGs under review in 2024

*Giulia Massobrio, Coordinator, Trade Union Development
Cooperation Network (TUDCN), ITUC*

SDG 1: eradicate poverty

1. Invest in **decent and climate-friendly jobs + formalization**
2. Extend **social protection**
3. **minimum living wages and equal pay**
4. **Labour protection floor**
5. **Social services linked to basic needs** (multidimensional poverty)
6. Advance **gender equality**, equality and non-discrimination
7. institutionalized **social dialogue**
8. **progressive taxation systems** at the country level
9. Role of **trade unions in the fight against poverty**

SDG 2: zero hunger

1. **access to safe, nutritious and sufficient food as a human right**
2. **Just Transition** for decent job creation in **sustainable agriculture**
3. Decent **wages** for workers throughout the food system
4. **skills development** to support workers in sustainable agriculture
5. Rights for **migrant workers and informal workers** in agriculture and food production
6. Avoid financial speculation and extreme **food price volatility**.
7. Land rights for indigenous communities (**ILO Convention 169**)

SDG 13: climate action

1. **Just transition measures** in countries' NDCs
2. **Social dialogue** to promote decent climate-friendly jobs creation
3. Rights-based pathways for **climate driven migration**
4. **Accelerate decarbonisation** processes (eg. end government subsidies to fossil fuels)
5. **investment in social protection, skills and lifelong learning**
6. Step up international **climate finance** for developing countries
7. **Provide the finance for the Loss and Damage facility** and for investment in just transition

SDG 16: peaceful societies

Democratic institutions

- freedom of association / collective bargaining / right to strike
- meaningful participation of social partners in decision-making processes
- End killing kidnapping, enforced disappearance of trade unionists.
- labour courts + access to justice

Peace

- Disarmament + Prohibition of Nuclear Weapons
- conversion of current investments in weapons - into social investments

Thank you!
