▶ International Labour Organization Advancing social justice, promoting decent work

Join our Talent Community

- ▶ Founded in 1919, the International Labour Organization (ILO) is the United Nations agency that advances social justice and promotes decent work.
- ▶ We are the UN agency that brings together governments, employers and workers to promote decent work for all.
- ▶ We exist to advance social justice for universal and lasting peace through better working lives for all people.
- ▶ We drive a human-centred approach to the future of work through employment creation, rights at work, social protection and social dialogue.
- ▶ The ILO seeks staff of the highest standards of professional competence and integrity. We encourage applications from qualified women and men, including those with disabilities.
