# GENERAL ASSUMPTIONS

## Re: Data in general

- We are sceptical that national data will be up to date
- TU capabilities may not be enough for TUs to conduct own research
- Sex and Sectoral Disaggregation

# **GENERAL ACTION AND SOURCE OF DATA**

**TUs shall push for gov't to monitor/get data for suggested indicator**

**TUs shall push for representation/direct involvement in monitoring, implementation, etc.**

**TUs shall push for data accessibility**

**TUs shall push for broader solidarity**

**Sources of data will be: TU Research, National Data, Other data from CSOs**

**8.2**

**N.A.**

# 8.5

**Source: National Data/TU Research**

**Suggested indicators:**

- Gender Pay Gap

**Suggested action**

- Push for gov't through social dialogue to monitor this

## 8.6

### Suggested indicators:

- Number of men and women who underwent skills training

# 8.7

## **Suggested indicators:**

- Number of human trafficking cases (monitor increases and decreases)
- Number of prosecution of agencies/individuals involved in human trafficking vis-a-vis trafficking cases.
- ILO Convention 138 and 182 (child labour conventions)

## **Misc. Suggestion**

- Push for an agency (or improvement of existing agency) (or CSO led) that will tend to human trafficking awareness, monitoring, and reporting.

## 8.8

### **Suggested indicators:**

- Number of accidents/industrial mishaps
  - Disaggregation of data (sex, sectoral, precarious work, other sectors deemed vital to pinpoint)
- Number of cases of violence against migrant domestic/domestic workers.

### **Misc. Suggestion**

- Push for an agency (or improvement of existing agency) (or CSO led) that will tend to migrant workers, migrant domestic workers rights awareness, monitoring, and reporting.

# 8.B

## Suggested indicators:

- Percentage of people covered by social protection
- Percentage of people receiving living wage
- Percentage of CBA coverage
- Trade Union density (we can actually put this in a lot of other goals)
