

Roadmap for trade union engagement with the UN Development System - ACTRAV Approaches for TUs Engagement-

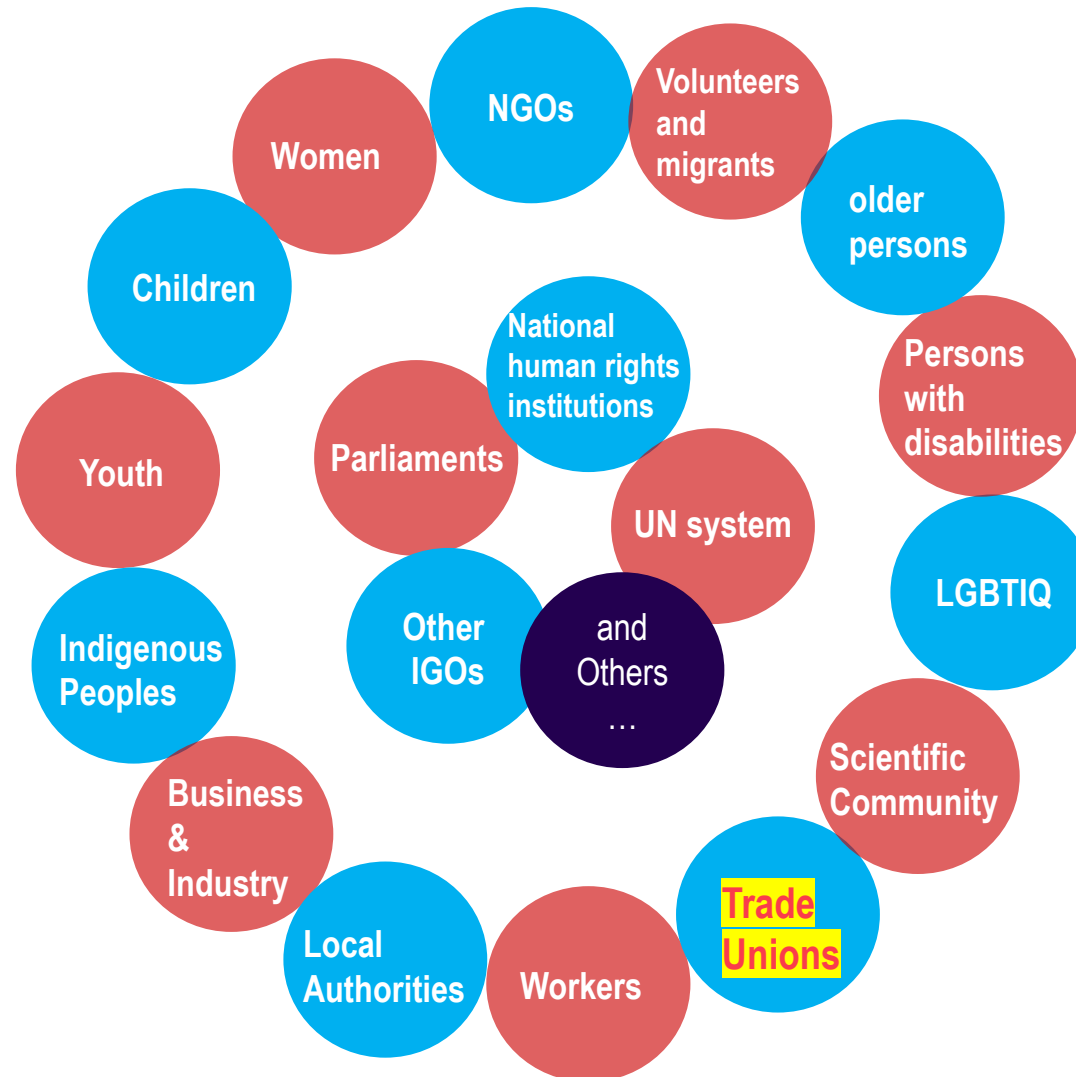

Yuki Otsuji, ACTRAV

▶ **SDGs Agenda relevant for workers**

- SDG Agenda covers Trade Union Agenda [Ex. Labour rights, Inequality, Decent Work, Wages, Social Protection, OSH, Climate Change, Migration, Clean Drinking water, etc.] - it offers immense opportunities for TU engagement and advocacy
- Framing of national SDG agenda and national reviews have to be inclusive & participatory and support the reporting by all relevant stakeholders (TUs are stakeholders)
- TU's should ensure, along with other stakeholders, that implementation by countries is not selective (leave no SDGs Target behind and leaving no one behind).

Who are the Stakeholders?

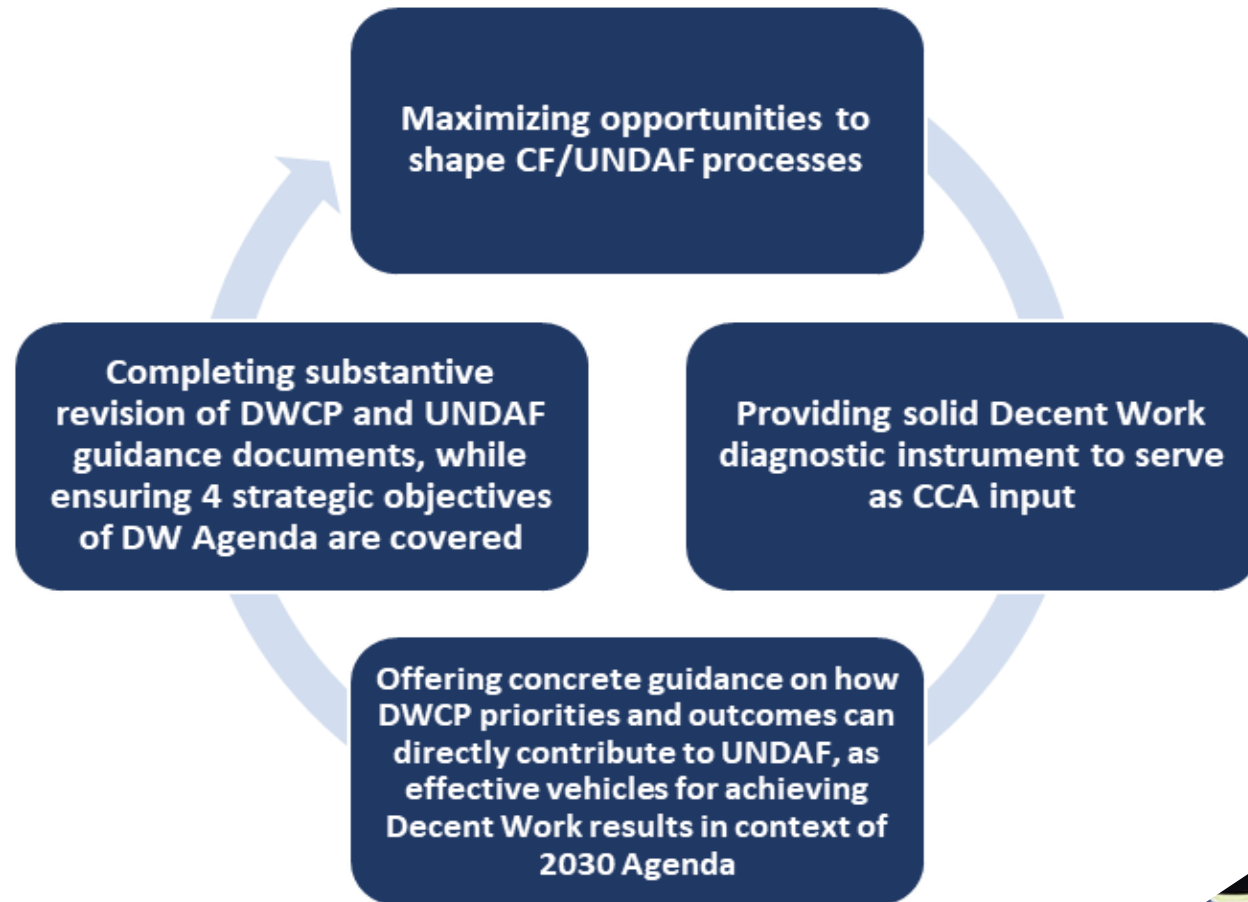

► UNRC's Job Description clearly mentions 'trade unions'

*'Together with the UN development system entities, engages, convenes and forges strategic partnerships at the national and sub-national level with diverse entities including with civil society, **trade unions** and employers' organizations, networks of young people, the private sector, parliamentarians, academia, media and think tanks, and the broader development community, around UN's collective support to the 2030 Agenda; '*

How ACTRAV assists trade unions
